Remarks

Beautifully renovated and thoughtfully designed, this spacious four-bedroom, four-bath pool home offers exceptional versatility, soaring vaulted ceilings, and an impressive garage setup-perfectly suited for today's active lifestyle. A light-filled living room features French doors that open directly to the pool, creating seamless indoor-outdoor living. The primary suite is conveniently located on the main level and serves as a private retreat, complete with a large walk-in closet and an expansive en-suite bath with a generous soaking tub and floating vanity. Designed for entertaining, the upper level hosts the home's main gathering spaces, including a formal dining area, a beautifully updated kitchen with quartz countertops, double ovens, and a flat-top cooktop, and a family room anchored by a cozy wood-burning fireplace. Vaulted, sloped ceilings throughout enhance the open, airy feel. Two additional bedrooms on this level share a well-appointed guest bathroom. The lower level offers a spacious 771-square-foot recreation room with a full bath and laundry room, providing flexible use as a game room, in-law suite, home office, or media space. Outdoor living is equally impressive. A deep 10-foot pool is surrounded by brick pavers and complemented by a full outdoor bathroom.
